Royal Gorge Rafting is located at: 45045 West US Hwy 50 Canon City, CO 81212

Our goal is to provide the most memorable, high quality, professional white water rafting experience at the absolute best value. We recognize overall that experience counts, for this reason we require our river guides to have a minimum of 4 years white water experience to ensure that we are offering the finest rafting adventures available. This is exclusive to Royal Gorge Rafting and is one of many aspects that sets us apart from the crowd.

We have never set out to be the largest company on the Arkansas river, nor do we wish to be. By keeping our size in check this ensures we can continually keep our quality and your overall experience at its best!

Your safety is always our number one concern. For this reason we provide all of our wet suits, river boots and splash tops free of charge. We provide kayak support with every Royal Gorge trip as well as on the Bighorn Sheep Canyon during high water. In addition we require a minimum of 4 years whitewater experience

Children

All of our gear is available in youth sizes & well suited for any sized rafter, so your children will be well equipped for their adventure. The Bighorn Sheep Canyon is the most suitable trip for younger children. Call us and we can help you choose the best trip for your group.
