## Clear Creek Trips

Colorado's most exciting whitewater is right in our backyard! Clear Creek, just 30 minutes from Denver, offers more challenging rapids per mile than most commercially rafted rivers in the state.

### Beginner Trip

\$39 Adult - \$30 Child - minimum age 7\*

Enjoy an alpine setting on this 1/3-day trip as you ride the waves in the Wild Wild West. Float past an historic waterwheel, drop over Castle Falls, paddle through Mountain Lion, then hold on tight for Mister Twister. For younger people and inexperienced paddlers, this section serves up 10 fun-filled rapids as the perfect introduction to whitewater!

### Intermediate Half Day

\$49 per person - minimum age 15\*

Hold onto that paddle and get ready to get wet! This exciting stretch of the river is Clear Creek's most popular trip! Continuous class III and IV rapids will thrill guests throughout the run. Surge over Nomad, power through the Phoenix Holes and take on the class IV climax, the Outer Limits. Good physical condition and the ability to swim are recommended.

### Advanced Full Day

\$92 per person - minimum age 16\*

If you're in good physical condition, have an aggressive attitude, and are up for a challenge, this is the trip for you! Starting high in the canyon, there's just enough time to warm up before plummeting into the first class IV rapid. You will encounter over 30 major rapids on this 18-mile trip dropping an incredible 1300 vertical feet. After a delicious complimentary lunch, rev up for the heart-pounding, physically demanding, continuous class IV-V whitewater of Double Knife, Hell's Corner, Terminator, and Corkscrew. Prior experience and the ability to swim are recommended.

### Evening Trips

Beginner \$39 Adult, \$30 Child - Intermediate \$49

Enjoy the alpenglow in the quieting canyon. Meet at our office at 5:00 pm to share an evening of adventure. Choose from the Beginner or Intermediate trip as the perfect way to top off your day.
