A TRADITION OF EXCELLENCE SINCE 1983

Experience Colorado's Best Family Trip

a short drive from Summit County...

The Arkansas River—

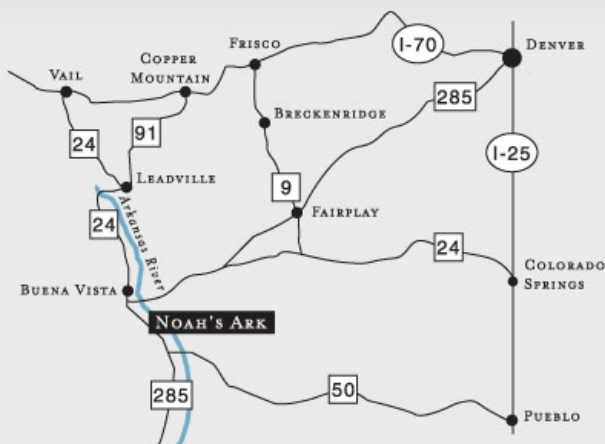

Half and Full Day trips through Browns Canyon

An ideal trip for families, our half day adventure begins at our private put-in beneath the Collegiate Peaks and offers 10 miles of beautiful wilderness scenery and heart-pounding rapids like "Zoom Flume," "Pinball" and "Big Drop." Our full day trip doubles your miles, includes a delicious homemade lunch prepared fresh in our kitchen, and gives you an afternoon ride that includes the infamous "Seidel's Suckhole!" Combined with the extraordinary service of our friendly and professional staff, this classic whitewater adventure is perfect for a complete day with your family.

Rafting involves inherent risks, which you assume when you participate. You must sign an acknowledgement of risk waiver before rafting commercially in Colorado.

What to Bring:

- Dry change of clothes
- Shorts
- Swimsuit
- Sunscreen
- Lip balm
- Camera
